Clare County
Library and
Caring for Carers
Ireland are
seeking your help,
as a volunteer,
to set up a home
library service
for people who
are unable
to access their
local library.

This will
involve
delivering
books to people
in the
community and
may involve
reading to the
person.

As a volunteer it is
desirable that you
have an
interest in
reading, a good
command of the
English language
and you are a good
communicator.

Empathy and
understanding
of people who
experience social
exclusion is
desirable.
